DR. R. ANDERS & CO.'S IODINE WATER.-Iodine water acts upon the Heart, Livr, Kidneys, Digostive Organo and Glandular Sys

The success which has attended the use of this remedy in private practice, and the endorsement of medical authority, enable us to recommend it to the practitioner and the public, feeling confident that with a fair trial it will attent its own exculience in the cure of Chronic Diseases, which indi-cate Icdins, such as Scrofula, Bronchitis, Skin Eruptions, Heart, Liver and Eldney Diseases, Servous Affectious, Neuralgia, Rheumatism, Dyspepsia, Debility, Syphilis, &c.

Physicians may rely upon the uniform strength of Iodine Water as containing three-quarter grain Fure Iodine in such fluid onnes of pure water, in circut being used. It is not liable to decompose ton nor spontaneously formed inequalities; neither the Rodine oxadized or neutralized by combine ion with any ingredient, rendering this solution tior to any other method of exhibiting ledins. Full directions accompany each bottle, that it may be used as a family medicine as well as by the

IMPORTANT TO LADIES-Dr. Har MPOSTANT TO HADDLES—IN: Mary's Female Pills have never yet falled in removing difficulties arising from contraction, or stoppege of nature, or in restoring the system to perfect health when suffering from Splinal Affections. Prolegons, Utort, the Whites, or other weakness y the Uterine Organs. The Pills are perfectly harm less on the constitution, and may be taken by the most delicate female without causing distress—the one time they act like a charm by strengthening, vigorating and restoring the system to a health condition, and by bringing on the monthly period with regularity, no matter from what causes the obstruction may arise. They should, however, nor be taken during the first three months of pregnanev, though safe at any other time, as miscarriage

would be the result.

Each box contains 60 pills. Price 1 60. Dr. Hanny's Tenature on Piesasse of Females, Pregnancy, Hiwarringe, Barreuness, Strillity, Re-production, and Abuses of Nature, and emphatical-ity the Laddes Private Medical Advisor, a pamphist of 66 pages, sunt from to any address. MORNING LEADER.

The nerve of a tooth, not so large as the finest sewing needle, will sometimes drive a man to distraction. A mosquitto can make an elephant absolutely mad. The coral rock, which esusses a ship to founder, is the work of worms. The warrior that Is prepared to transport persons and property be-has with stood death in a thousand forms may be killed by an insect.

Fort Morgan originally cost the United States Government, in its construction and armament, about one million five hundred ing one hundred and thirty-two guns, and of garrisoning seven hundred menfor siege operations. The rebels made but a pusil-lanimous defense of it.

With promptness, Care and Dispatch.

With promptness, Care and Dispatch.

SCREW STRAMERS connect at Ogdensburgh with Innimous defense of it.

The Richmond Examiner laments the full of Atlanta because it will ensure the de-feat of the Democracy and enable the Gov-ernment to enforce the draft. Freemen of the North do you bear that?

An English Government report on Con-vict Prisons, just issued, contains the statement that "experience goes far to show that it is female influence, exerted in some way or another, and not, as is often sup-posed, intexication, which is the source of o much crime."

Franz Muller, the alleged murderer Mr. Briggs in a railway car in England, was on Saturday, placed on board the steamship Etna, and is now on his way to England where his trial will take place. He is in charge of Mr. Tanner, the England where his trial will take place. glish police officer who came hither to crest him, and to whom he was delivered on board the vessel.

A paper substance to be used for bookding has just been invented in Eng land. It sppears to receive gilt impressions with the distinctness of proces, and, as it can be washed th soap and water when dirty, it may be surmised that herafter the phrase 'musty literature' will fall into disuse. It is said that its cost will be something like one-half of the present price of embosses cloth.

Joseph B. Morse, for some years leading editor of the Boston Traveller, having given in his adhesion to McClellan, has retired from that paper. The Washington county (New York) Post

THE POET ON A TRAIN; THE ROMANCE OF THE BAILBOAD.

CHAPTER IX.—The Kiss of the Dark.

After washing six long hours,
And Withmanger simeet dead,
Howe came one can track was mouded.
And the train soon went about.
Soon we passed a please called Athastown's
Filled with tron fluenties,
Whang the people all wern working.
Like a lot of busy been.

At Altoons we took breakther. at Altoons we took breaking.
If was was o'clock or more)
Each a lot of hungry mortain
In see laid oyee on before;
All the good things on the table
In stort time did disappear;
Ant they all shouting wildly—
"Quickly bring more breaking here."
